

COMMITTEE ON TRAFFIC/PUBLIC SAFETY

December 6, 2005

5:15 PM

Chairman Sysyn called the meeting to order.

The Clerk called the roll.

Present: Aldermen Sysyn, Guinta, Smith, Forest, O'Neil

Chairman Sysyn addressed Item 3 of the agenda:

Discussion regarding extension of the agreement between the City of Manchester and Central Parking for the operation of the Victory Parking Garage.

Deputy City Clerk Johnson stated it is my understanding that the Committee is considering a six-month extension, which would bring it to June 30, 2006 I believe.

Alderman O'Neil moved to extend the contract with Central Parking for the operation of the Victory Parking Garage to June 30, 2006. Alderman Guinta duly seconded the motion. Chairman Sysyn called for a vote. There being none opposed, the motion carried.

Alderman O'Neil asked did the issue that we had at the last meeting...I know we had some capital repairs. Did the issue of trying to get the employees their pay increase...

Deputy City Clerk Johnson interjected that passed and it is on the full Board's agenda this evening. I would just note for the record that we did have a request from 20 Market Street, it is an LLC and they are looking for 20 spaces in the Middle Street Lot. I presume you want to refer this to the next Traffic Committee.

On motion of Alderman O'Neil, duly seconded by Alderman Forest it was voted to refer the communication from 20 Market Street requesting 20 parking spaces in the Middle Street lot to the next Traffic Committee.

There being no further business, on motion of Alderman Smith, duly seconded by Alderman Forest it was voted to adjourn.

A True Record. Attest.

Clerk of Committee
